

April 13th, 2020

To our Valued Customers & Partners,

Anchor Fluid Power remains OPEN as an essential business serving critical industry. We take the COVID-19 situation seriously and as it evolves, are monitoring the guidelines set forth by the CDC, state and local governments. Their recommendations are being implemented in our business wherever possible to reduce the risk of disease transmission. We are committed to maintaining normal operations for our customers while also doing our part 'flatten the curve' and protect the health our employees and customers.

Should you have any questions or need assistance, we ask you to reach out to Customer Service at sales@anchorfluidpower.com or (513) 527-4444.

Sincerely,
Anchor Fluid Power
